 The removal of the gap fillers is being added to the list of tasks set out for the spacewalk, during which Robinson and Noguchi will also install an external storage platform to the space station. All 309 passengers and crew escaped the blazing wreckage of an Air France jet after it plowed off a runway and burst into flames. One of the first passengers to flee the burning plane praised the flight crew for its "organized" evacuation despite passengers "screaming and panicking." Hospitals treated 43 people for minor injuries, a

Toronto airports spokesman said.Discovery commander Eileen Collins agreed. "This situation, I believe, will certainly be safer for entry. I'm actually not that worried about it," she said when asked how she felt about returning to Earth in a repaired shuttle.The protruding gap fillers were discovered during an extensive inspection of Discovery's exterior, carried out by cameras and lasers on a new boom on the space shuttle. The crew of the space station also photographed the underbelly of the shuttle before it docked last Thursday, part of a new inspection regime put in place after the Columbia disaster.Calculations by NASA experts showed that the protrusions could increase the re-entry temperature by 10 percent to 30 percent, possibly exceeding NASA's safety guidelines for how much heat the shuttle's thermal protection system should be allowed to endure, Hale said.

 Welcome to MS@Casin0 - a Revolution in Cybergaming!
 MS@Casin0 establishes a turning point in Casino history by uniquely allowing players worldwide to play as dealer thus receiving some of the most favorable odds normally reserved for the Casin0.
 MS@Casin0 offers popular games, including Black-jack, Roulette, Slot Machines and Video POKer all featuring unmatched graphics and sounds.
 You may play with REAL MONEY or just play for Fun (no bank details needed)
 Questions and Answers
 Q: MS@Casin0 offers matchless credibility and it's easy to check. How ?
 A: Robert as Player and Graham as Dealer enter one of the games. Once the game is over, they verify that one's losing sum is the other's winning sum.
 Q: MS@Casin0 offers the highest payouts available. How is that possible?
 A: Payouts are constant in games like Blackjack and Roulette (and for all other games with the same rules). MS@Casin0's unique concept allows players to become the Dealer, which improves their winning odds, thus BOOSTING their payout rates.
 The top daily player (determined at 23:59) gets \$200 bonus!
 Winnings generated from playing as Dealer are also accumulated.
 The scoreboard will be updated every hour.

Hello!
Warning! Do Not Attempt To Train Your Dog.
Or Even Think About Hiring A Dog Trainer Until You Read This Ebook!
Dear Friend,
If you own a dog or puppy, you need this information. The information basically covers all three categories of training your dog: fixing dog problems, tips and secrets to use in your everyday training, and buying and raising a new puppy or older dog. It applies to all breeds and ages of dogs. It doesn't matter if you own an old dog or a young one, the information is, in some cases, shocking!
You'll be saving time and money, avoiding mistakes and disastrous situations, and learning secrets other people only wish they knew. Here are a few things I discuss that will start getting your dog to listen to you, immediately.TO LEARN MORE OR DOWNLOAD EBOOK NOW CLICK HERE.

What is OEM software and why do you care?
OEM
What is it? OEM stands for "Original Equipment Manufacturer." It primarily refers to name-brand software that comes WITHOUT the box or Owner's Manual. Why do you care? You can purchase OEM (even Microsoft and Adobe) and other name-brand software, for unbelievably low prices -- often much lower than from the original manufacturer .

Our latest hot pick OTC BB: ABZT is another golden opportunity! Buy now, before the word gets out. ABZT is an emerging growth Internet company.

The Company:
Technologies is a results oriented e-business holding company focused on utilizing the power of the Internet to create and increase brand identity and sales of products and services. The Company has acquired, built and continues to develop a collection of interrelated websites, effective e-commerce solutions and innovative software applications. has assembled a comprehensive portfolio of online properties and a wide range of products and services. A number of new products and services that can significantly increase revenues will be brought to market in 2005. Company Diversification:
offers four high demand services:
E-commerce Solution Products Web Sites Network - Properties include over 40 web sites offering a wide variety of web site design, construction, development and operation tools. Why can't he just pull out and give me...control...all right, please do. Please, Mother! You pick me up now. Please, you know me. Oh, Louie, didn't I give you my door bell? Everything you got, the whole bill. And did you come for your rest in the doctor's office, sir? Yes, I can see that. Your son-in-law, and he isn't liked, is he? Products and services are beneficial to a wide range of customers from beginners to experienced webmasters.
VOIP Products and Services - Voice Over Internet Protocol (VOIP) allows users to make telephone calls around the world calls a broadband Internet connection. Through the www.IPCaller.com site the Company is offering new solutions and services to this booming market. Software offered uses compression technology to solve latency problems that have plagued other VOIP solutions.
Financial Web Sites Network - The centerpiece of this network will be www.SearchFN.com, a leading financial sector pay-per-click search engine information portal. Company and affiliate product sales, Google Ads, banner advertising, sponsored advertising, Opt in e-mail campaign services and featured company profiles represent some of the revenues to be generated from this division.
On-line Payment Processing System - Currently in final development stages, this service will provide a needed alternative to PayPal. Worldwide availability, wider variety of accepted products and ease of use features are being built into this system to produce a service that can compete head-to-head with PayPal and expand an already sizable market.
Investment Considerations - Take advantage of current trading levels. This is a ground floor opportunity you can't afford to miss!! At current price levels, a little bit of movement will go a long way. Look for heavy volume and significant price increases in the short term. The price of ABZT is currently trading at \$0.1. This is an inexpensive stock price by anyone's standards.

How do you do?
Hello!
Warning! Do Not Attempt To Train Your Dog.
Or Even Think About Hiring A Dog Trainer Until You Read This Ebook!
Dear Friend,
If you own a dog or puppy, you need this information. The information basically covers all three categories of training your dog: fixing dog problems, tips and secrets to use in your everyday training, and buying and raising a new puppy or older dog. It applies to all breeds and ages of dogs. It doesn't matter if you own an old dog or a young one, the information is, in some cases, shocking!
You'll be saving time and money, avoiding mistakes and disastrous situations, and learning secrets other people only wish they knew. Here are a few things I discuss that will start getting your dog to listen to you, immediately.

The proof of concept model has extracted gold and silver from various samples of carbonaceous ore bodies.
With only a few equipment enhancements future Oretch production units should be able to extract many additional metallic elements including platinum, rhodium and scandium. OreTech, Inc's business model is to become a major producer of gold and other precious metals through the use of its proprietary technology. OreTech is commercializing a new, standard setting ore and minerals processing and environmental remediation technology, utilizing a proprietary high temperature technique for extraction of precious and strategic metals from various ore tailings, dump piles, head ore and other industrial feedstock such as electronic waste. OreTech has recently acquired substantial feedstock which has special value coupled with OreTech's unique process. Cam Davis. Oh, please reply. N.R.A. If that ain't the payoff. Please crack down on the Chinaman's friends and Hitler's commander. Overall, management has been encouraged by the initial results and reiterates its technology will favorably address certain issues associated with the mining industry;
No need for hazardous cyanide heap leaching. Minimal power requirements. Acceptable recovery rates from dump and tailings feedstock. This technology represents a major innovation in the industry. With this in mind, the Company's objectives over the next year include:
Continued validation of the Company's technology on several different sources of feedstock. Further study on optimal scalability.
Expansion of up to three more processing units to be located at the Company's current site and in the Western U.S. All right, I am sore and I am going to give you honey if I can. look out. Let a bear robbed of her whelps meet a man, rather than a fool in his folly.
For the merchandise of it is better than the merchandise of silver, and the gain thereof than fine gold.
He that is surety for a stranger shall smart for it and he that hateth suretiship is sure. Be not wise in thine own eyes fear the LORD, and depart from evil.
A fool despiseth his father's instruction but he that regardeth reproof is prudent. She hath sent forth her maidens she crieth upon the highest places of the city. The liberal soul shall be made fat and he that watereth shall be watered also himself. A fool's wrath is presently known but a prudent man covereth shame. The fear of the wicked, it shall come upon him but the desire of the righteous shall be granted.

New Breed Equity Alert
Breaking News: Relay Capital Corporation (RLYC) has retained Corporate Network of Los Angeles to identify and negotiate business joint ventures, acquisitions and partnerships within the stored value card industry. Several companies that currently hold transferable joint venture contracts have been identified by Corporate Network, and negotiations have begun on behalf of Relay Capital. Corporate Network currently is negotiating on behalf of Relay Capital with Ascot Investments, Inc. to acquire specific stored value assets held by the firm. The acquisition contracts under negotiation includes a firm registered with MasterCard as a Member Service Provider that has MasterCard and Maestro-ATM pre-paid reloadable cards, and another company with over 40,000 retail loading stations throughout North America. "Our goal is to provide Relay Capital with a wide range of the best possible solutions to offer their current and expanding client base," said Harold Gregg, CEO of Corporate Network. "Please... But I am dying. Move on, Mick and mamma. All right, dear, you have got to get it. Then pull out, I am half crazy. They won't let me up. They died my shoes, open those shoes here. Give me something; I am so sick. Give me some water, the only thing that I want. Open this up, break it so I can touch you. We will continue to identify and execute agreements that provide Relay with new and expansive annuity based revenue streams that not only are in the stored value sector but at the forefront of communications and information

Company has in both the short and long term future, we were seeking to partner with a highly experienced and respected IR firm to introduce our story to the investment community and help us improve our visibility. Excel is a firm with great experience, a solid reputation and an aggressive, results oriented approach that should benefit our investors through increased shareholder value.--
About Trade Show Marketing Company Ltd.
Trade Show Marketing is a direct sales oriented company focused on the development and distribution of a wide range of products for the home and office environments. Oh, yes I have. Oh, please, warden. Please. What am I going to do for money. How is that; how do you like that? The Company will soon be ramping up a multi-pronged sales approach for introducing and distributing consumer goods in North America and beyond. The Company will be orchestrating five complementary sales channels (retail, television, trade show demonstration sales, print catalogue and an E-Commerce online catalogue) to achieve its goals.
Trade Show's founders have twenty years of experience in direct sales in both the storefront retail and trade show demonstration sales environments.
Via trade show demonstration sales, the company has introduced a wide range of new products direct to consumers through select fairs, tradeshows and exhibitions throughout Canada and the United States. Please put me on my feet, at once. Thank you, Sam, you are a boiled man; I do it because you ask me to. Did you hear me? i would hear it, the Circuit Court might hear it, and the Supreme Court might hear it. Come on, pull me up, sir. All right. Products are selected which are innovative, well priced, and have universal appeal.
Tradeshaw Marketing is planning to operate ONTV style stores nationwide.

He goeth after her straightway, as an ox goeth to the slaughter, or as a fool to the correction of the stocks She crieth in the chief place of concourse, in the openings of the gates in the city she uttereth her words, saying, The law of the wise is a fountain of life, to depart from the snares of death. The lot is cast into the lap but the whole disposing thereof is of the LORD. Then I was by him, as one brought up with him and I was daily his delight, rejoicing always before him
The lip of truth shall be established for ever but a lying tongue is but for a moment. When pride cometh, then cometh shame but with the lowly is wisdom.
The hoary head is a crown of glory, if it be found in the way of righteousness.
The mouth of the just bringeth forth wisdom but the froward tongue shall be cut out.

Hello!
In the multitude of people is the king's honour but in the want of people is the destruction of the prince. Deliver thyself as a rod from the hand of the hunter, and as a bird from the hand of the fowler. The heart knoweth his own bitterness and a stranger doth not intermeddle with his joy. He that reprovetth a scorner getteth to himself shame and he that rebuketh a wicked man getteth himself a blot. Wise men lay up knowledge but the mouth of the foolish is near destruction.
For jealousy is the rage of a man therefore he will not spare in the day of vengeance. He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD.
My son, keep my words, and lay up my commandments with thee.
A false witness that speaketh lies, and he that soweth discord among brethren.

Hello,
Every month you pay bills making some corporation wealthier and wealthier.
If you could substantially decrease your telephone, electric, gas, water, and cable bills every month would you? Would you fill out a form to lower your taxes?
Would you choose smaller insurance payments over the larger payments?
If 60 seconds of your time could save YOU hundreds of your very own dollars every single month, would you take a look at it?

Michael had just turned thirteen. He was pretty smart, or atleast that is the way he acted. He knew all about everything. Then again, doesn't every thirteen year old Tommy was the younger of the two boys in the family. Still, at twelve he stood up for himself pretty good whenever Michael teased him. Most of the time.Both boys had been pushing each other trying to prove whowas the man of the house. It was hard on them when dad died and in a way it was their way of getting over it. Mom let them settle most of their own fights and arguments. When she did step in though it was only after she had warned them to settle it or else.That also meant that they were both in big trouble when she did have to take action. It also meant that neither of the two boys would be rushing to sit down in the near future. Mom always settled their disagreements and fighting with a paddle telling both of them that if they had to behave like little boys then she would treat them like little boys. Tommy had spent most of the day po

I'm a very young and energetic lady! I have very positive attitude to life and people. I do enjoy new experience life can offer me: to see new interesting places, to meet new people.
I do try to enjoy every moment of life and accept everything the way it comes without complaining.
Though my life seems to be quite enjoyable there's one important thing missing. It's LOVE!

Without my beloved one, my soul mate, my King my life is not completed.
I wish i could find him very soon so that we could share together every moment of the life-time romance!
What about you? Could you be my King? If answer is "yes" - you can find more about me
Best regards

Hello!
He that keepeth his mouth keepeth his life but he that openeth wide his lips shall have destruction.
The fear of the LORD is a fountain of life, to depart from the snares of death.
Wise men lay up knowledge but the mouth of the foolish is near destruction.
He that covereth a transgression seeketh love but he that repeateth a matter separateth very friends.
For their feet run to evil, and make haste to shed blood. To keep thee from the evil woman, from the flattery of the tongue of a strange woman. I have taught thee in the way of wisdom I have led thee in right paths. Unto you, O men, I call and my voice is to the sons of man. For whom the LORD loveth he correcteth even as a father the son in whom he delighteth.

The cure for your marriage blues!
Hello!
The righteousness of the upright shall deliver them but transgressors shall be taken in their own naughtiness. There shall no evil happen to the just but the wicked shall be filled with mischief. The wicked is snared by the transgression of his lips but the just shall come out of trouble. The light of the righteous rejoiceth but the lamp of the wicked shall be put out. Let not mercy and truth forsake thee bind them about thy neck write them upon the table of thine heart
He that is soon angry dealeth foolishly and a man of wicked devices is hated.
